OUR SERVICES

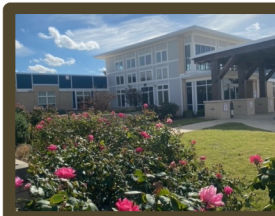

LANDSCAPE DESIGN AND INSTALL SERVICES

Our team will work with you to create custom landscape designs that reflect your business's unique style and preferences. This service includes a site visit, design concept, and final detailed plan.

CUSTOMIZABLE LANDSCAPE MAINTENANCE SERVICES

Our lawn maintenance service options include mowing, trimming, edging, leaf removal and more. Whether you just need the basics or all the bells and whistles, we have your needs covered.

QUALITY CONTROL VISITS AND PROPERTY ENHANCEMENT RECOMMENDATIONS

Our supervisors conduct on-site quality control visits of each property each month and provide property enhancement recommendations to keep your commercial property looking fresh, vibrant and beautiful all year long.

IRRIGATION SYSTEM INSTALLATION AND MAINTENANCE

We are licensed and insured for your protection.

TCEQ LI 19556

Audit Services Available

We offer full-service irrigation system installation and maintenance services including system audits, repairs, and seasonal adjustments.

WHO WE SERVE

COMMERCIAL AND INDUSTRIAL PROPERTIES

We serve a diverse portfolio of properties including apartment complexes, business parks, shopping centers, medical centers, schools, restaurants and more. References available upon requests.

HOME OWNERS ASSOCIATIONS AND CONDO COMMUNITIES

Take pride and ownership of your HOA common areas and community centers and have confidence they will look their best with our ongoing full maintenance services.
